

Web Site Compliance Statement for Redesigned or Migrated Web Site

Use this statement if you are redesigning an existing web site and/or migrating a website to a new Hosting provider

I certify that the *<name of site/page/document>* Web site / page / document comply(s) with the following standards:

- Section 508 of the Rehabilitation Act (see www.section508.gov, www.usa.gov/webcontent/reqs_bestpractices/laws_regs/accessibility.shtml, www.webaim.org)
- OMB Policies (see www.usa.gov/webcontent/reqs_bestpractices/omb_policies.shtml)
- HHS Web Standards (see www.hhs.gov/web/policies/index.html#HHS%20Standards%20by%20Category)
- SAMHSA Web Policy (see http://www.samhsa.gov/IT/PolicyManuals/WebPolicy_v2f.pdf)

With the following Exception(s):

1. <Web address> / problem identified / steps being taken / anticipated completion
- 2.
- 3.

The following testing methods and tools were used to verify compliance (if any):

Signature (or electronic signature)

Date
